BUTTERFLY GLADIOLUS DELIVERY: Jan/May

A new strain of Gladioli. Hybridized recently and introduced for the second year in the U.S. to the Seed Store Trade.
The flowers are smaller than the regular Gladiolus, but somewhat larger than "Baby Glads". These varieties are of extraordinary texture, very good propagators and remarkably healthy and disease resistant. The spikes usually open with 6-8 florets at once and with very good placement. These varieties are EXCELLENT for CUT FLOWERS and in ARRANGEMENTS.
